British Riding Clubs Club Jumping Series

The aim of this series is to create an accessible and inclusive SJ series for BRC members who currently **do not take part in area competitions** or may be nervous about competing, who have disabilities which prevents them from jumping higher or those that are new to BRC and maybe have never jumped before. Clubs will run relevant classes at their club shows for riders to gain qualification to take part at the finals on 10 October 2026 at Bury Farm Equestrian Centre, Leighton Buzzard where there will be three sections in each height class – 11 and under, 12 – 18 and 19 and over (age of 1 January) if sufficient entries. Combinations must not have competed at a BRC Championship with a jumping element in the previous 3 years and not competed at a height greater than 15cm more than the qualifying class in the previous 12 months. Riders can compete at no more than 2 consecutive heights at the finals. Spurs are not permitted. Riders must be club members and qualify by gaining 2 clear rounds at the relevant height (lead reins not permitted). Qualification cards, which cost £6 may be purchased for the combination retrospectively within 3 weeks of the competition and before the end of the qualification period of 30 September
